

SPEAKER INTRO – LASHAWNE HOLLAND

INSTRUCTIONS:

Dear Hosts & Event Planners – Thank you again for extending an invitation to LaShawne to speak at your event and in front of your event attendees. We ask that you please practice reading LaShawne's speaker intro bio "out loud" in advance. We respectfully and kindly request that you please read the entire bio during the introduction to properly set the stage for LaShawne's presentation to your attendees. Thank you!

INTRO:

America's Wealth Activator and Wealth Coach **LaShawne Holland** is the nation's leading Money Maven and Expert on the art of **unleashing wealth patterns and purpose, igniting dreams, and building profitable cash flow empires.**

A former **Corporate Chief Financial Officer**, Accountant for the US Department of Treasury, turned **multi-million dollar Entrepreneur**, trained financial architect, turned **Momprenneur**, she equips the masses that are committed to changing their financial blueprints to build a house of wealth that transcends generations.

She has been featured by **more than 350** media outlets to include **BET, Yahoo Finance, Fox News, Beyond the Dow, Bloomberg Businessweek, ABC, NBC, Market Watch, Reuters, the Money Show, Worth, EMoney Daily, Dealbreaker** and is a regular financial columnist for **Gospel Today** magazine.

As the Founder of **The Wealthy Leaders Institute**, Chairman and President of **Holland & Holland Enterprises and Vice Chairman and CFO of Biz Lending Solutions**, she built one of the fastest growing, women-owned brokerage firms in the country. She is also Co-Owner of Finergy, Inc., a private lending company, with her husband of 20 years.

Now, through **LaShawne Holland International®** and her annual **Wealthy Women ROCK! Live Event**, she teaches others **how to maximize and monetize their own personal economy** as a critical vehicle of cash flow generation and wealth development, building business systems of

LaShawne Holland

purpose, and investing for significance and impact that can build **wealth legacies** globally for generations to come.

Her philosophy is - "Being broke is temporary, but being poor is eternal. Change your mind, and you WILL ultimately change your money NOW."

Here to show you how to elevate your mind and your money, please welcome America's Wealth Activator, LaShawne Holland.
